# CAMPTON POND RECREATION AREA IN LIBRARY WHITE RECEIVED SEP 4 1940 ☆ U.S. Department of Agriculture

## MOUNTAIN NATIONAL FOREST

NEW HAMPSHIRE & MAINE

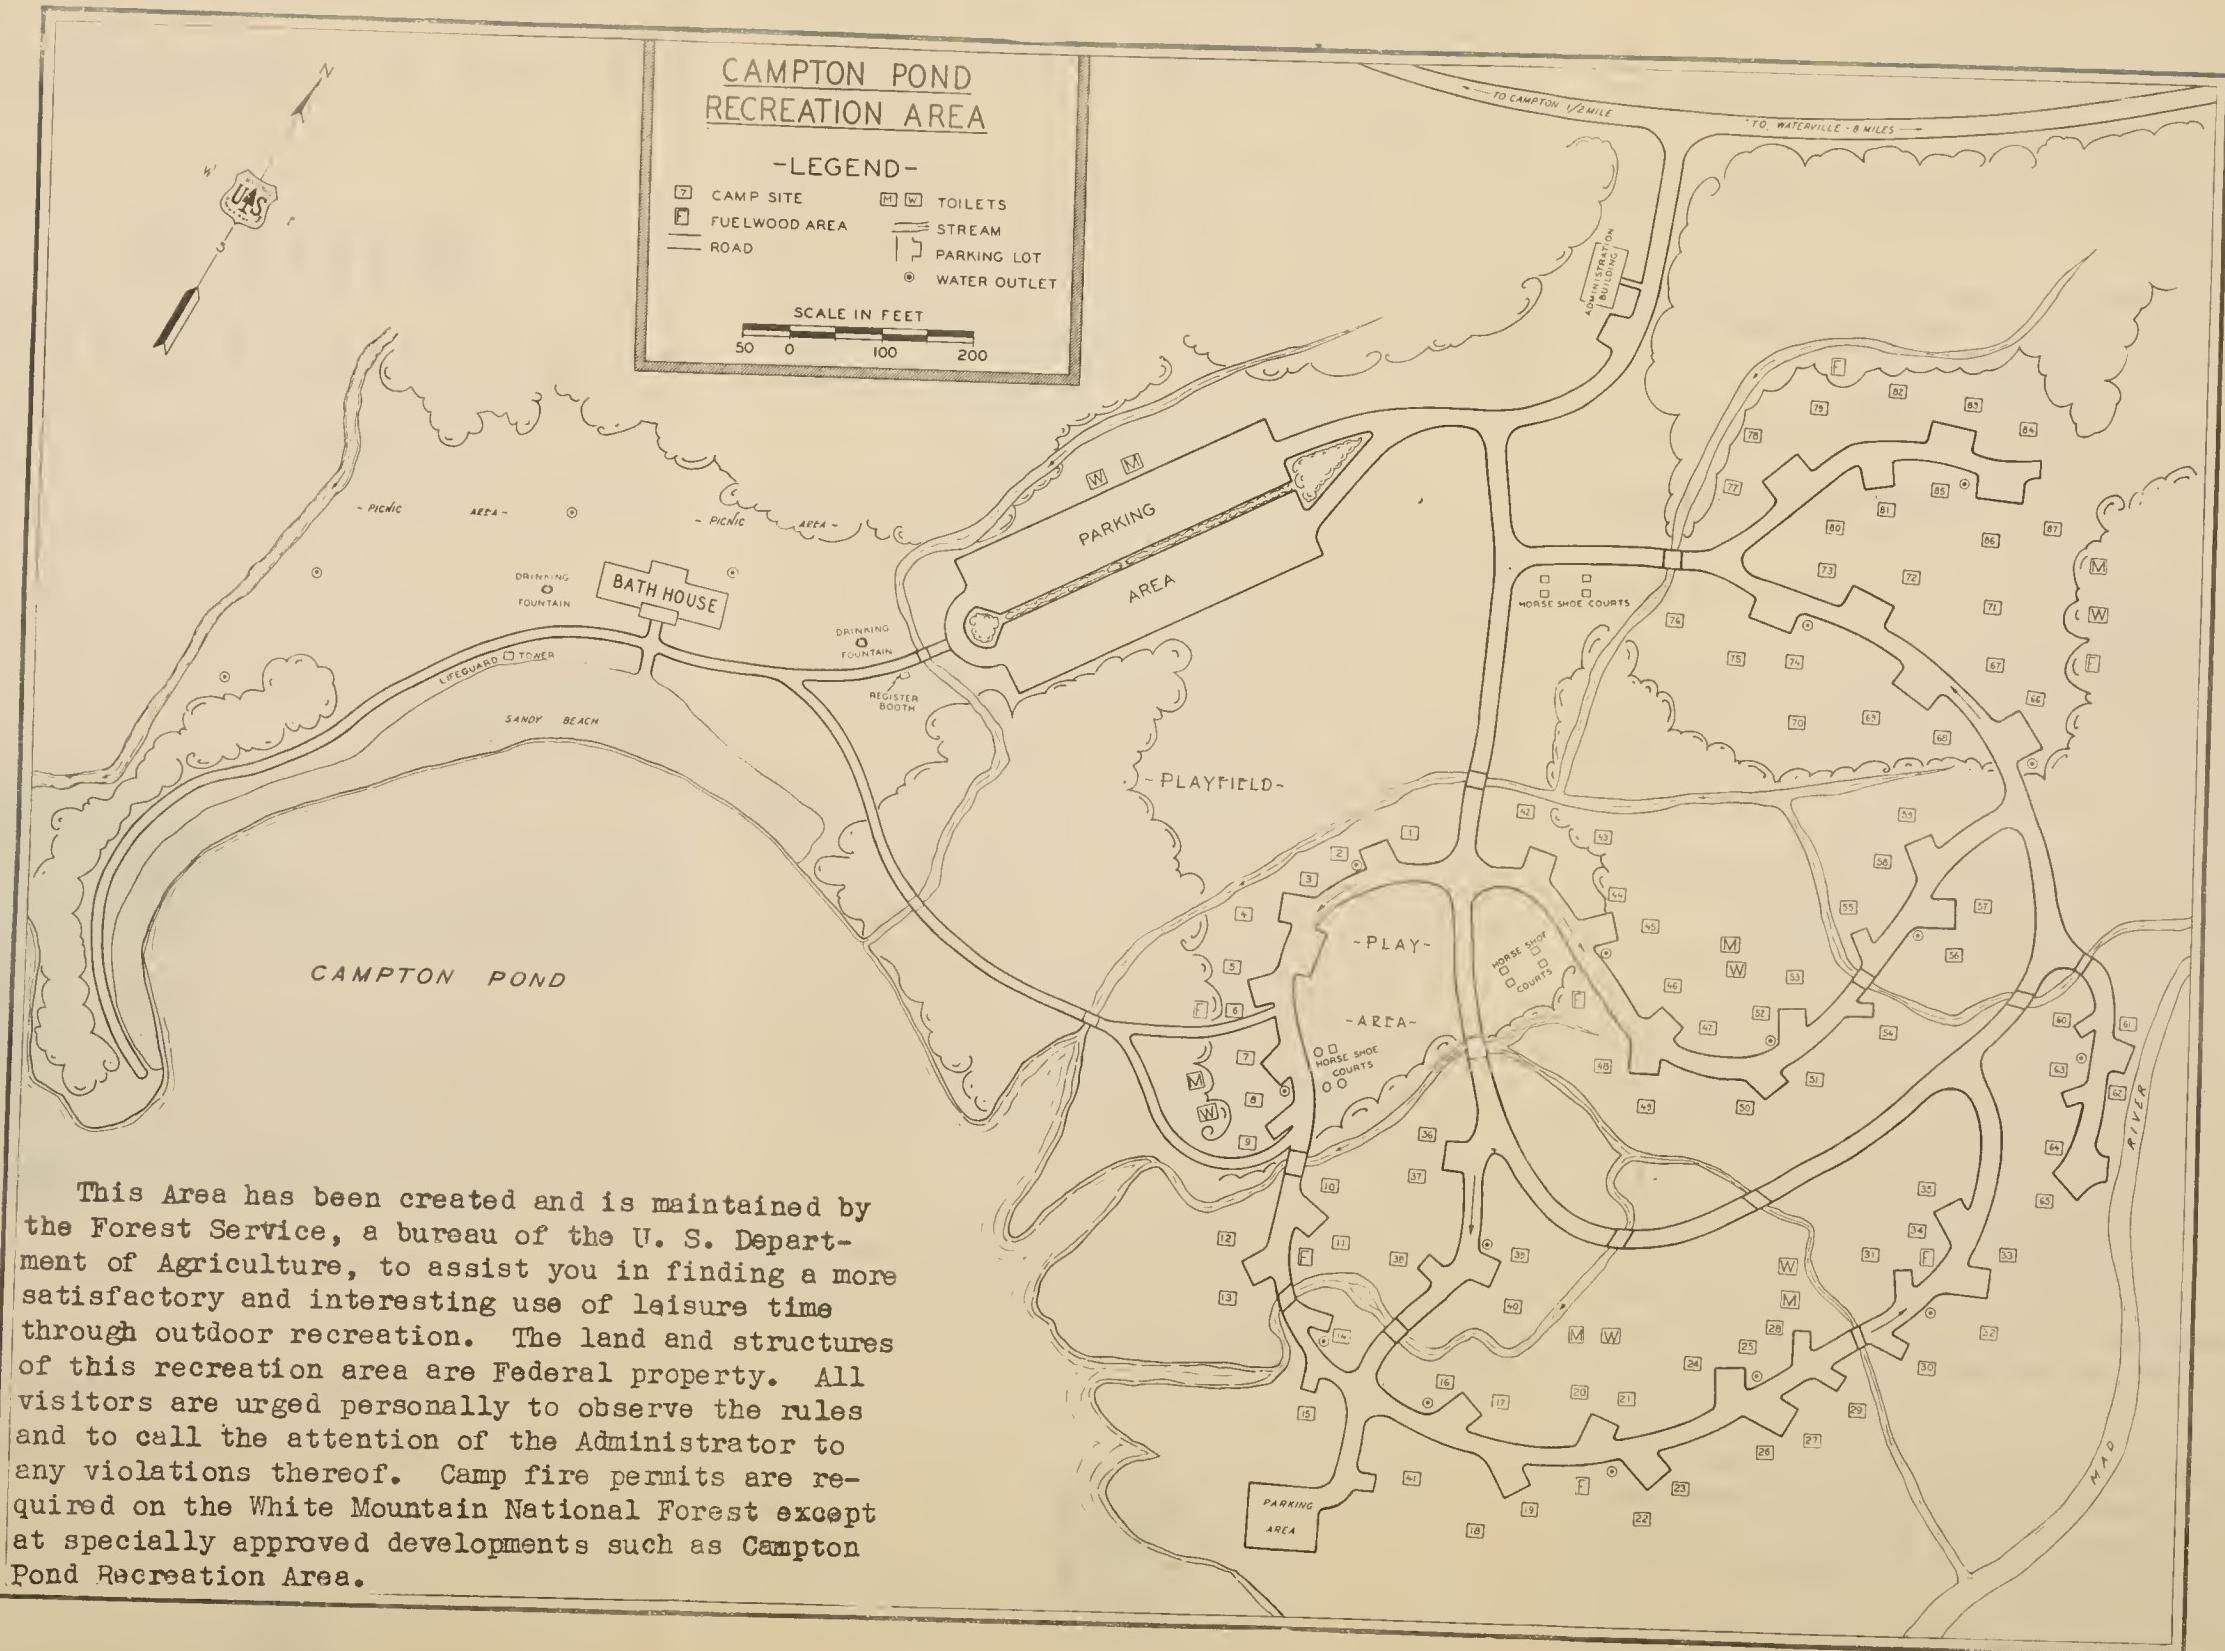

CAMPTON POND BEACH

U.S. DEPARTMENT OF AGRICULTURE  
FOREST SERVICE EASTERN REGION

1940

This Area has been created and is maintained by the Forest Service, a bureau of the U. S. Department of Agriculture, to assist you in finding a more satisfactory and interesting use of leisure time through outdoor recreation. The land and structures of this recreation area are Federal property. All visitors are urged personally to observe the rules and to call the attention of the Administrator to any violations thereof. Camp fire permits are required on the White Mountain National Forest except at specially approved developments such as Campton Pond Recreation Area.

## CAMPTON POND RECREATION AREA RULES

For the common good, it is necessary to prohibit the following:

1. Use of the area for private gain, solicitation or advertising.
2. Disorderly conduct, intoxication, obscenity, or indecency.
3. Use of firearms or fire works.
4. Picking, collecting or disturbing native plant materials, such as trees, shrubs, flowers and ferns.
5. Peeling bark, mutilating trees or defacing buildings or other improvements by marking, cutting or misuse.

### GENERAL RULES

1. Quiet will be observed between the hours of 10 P.M. and 7 A.M.
2. All State laws and regulations governing public health and sanitation will be rigidly enforced.
3. Automobiles will be parked in designated parking spaces.
4. A maximum speed limit of 15 M.P.H. will be observed on all roads within the area.
5. Fires will be built only at designated fireplaces and all fires must be completely extinguished before leaving the camp or picnic site.
6. To prevent forest fires, smokers will extinguish all cigarettes, cigars, pipe ashes and matches before discarding them.
7. Picnic parties must leave the area before 10:00 P.M.
8. Campers and picnickers must work up their fuelwood at designated wood yards and must provide the tools needed for that purpose.
9. Suitable sticks are provided for roasting wieners and marshmallows as the cutting of trees and shrubs is prohibited.

### RULES FOR CAMPING AND PICNICKING AREAS

1. All campers will register at the Forest Camp office before setting up equipment and will check out when departing. No advance reservation for particular locations can be made.
2. Campers and picnickers will maintain their camp and picnic sites in a neat, orderly and sanitary condition at all times; garbage and refuse will be burned or deposited in the trash receptacles. Please burn papers and similar refuse.
3. Drainage ditches around tents must be filled in before abandoning the camp site.
4. Any tent or camping outfit unused for forty-eight hours will be removed by the forest officer in charge and stored for a period

of thirty days at the owner's risk, after which time, if not claimed, it will be sold or otherwise disposed of.

5. The length of stay of campers will be limited to fifteen days. If there is no demand for camp sites this length of stay may be extended.

6. Trailer campers will not use any toilet, whether chemical or otherwise, installed in any trailer coach. They will use the toilet facilities provided on the area. Sink water will not be discharged upon the ground while trailer is parked in the Forest Camp. Trailer camps must be set up in the field area provided. After trailer coach is set up, car must be parked in one of the parking areas provided.

#### RULES FOR BATHING AREA

1. Swimming is permitted only between 11:00 A.M. and 8:00 P.M. when lifeguards are on duty. Bathers should take their clothes and other belongings from the bath house to their cars. No wearing apparel will be left in the bath house. The bath house will be closed at 8 P.M.

2. Small children who cannot swim will use the wading area provided for them, unless accompanied in deeper water by an adult.

3. No swimming will be permitted beyond the log boom which is anchored at the  $6\frac{1}{2}$  foot depth.

4. Do not climb onto the log boom. It is placed to mark the limits of the swimming area and for the normal support of swimmers.

5. Picnicking on the beach is prohibited.

6. Dogs will not be allowed in the water and shall be allowed in the area only on leash.

7. Pushing and all forms of rough play creating hazards to human safety are prohibited.

8. Persons infected with skin or other communicable diseases will not be allowed in the water.

9. Canoes and boats, other than those maintained by the lifeguards, are not allowed inside the log boom. Boats and canoes should be beached on the far side of the point of land to the west of the bath house.
